Tami,

So far, I have heard from Nondalton, Levelock, and Curyung, as stated below. I sent word to Rick that Jack Hobson wants to serve, and so I am sending to you, too.

Have you heard from other tribes?

Jeff

Good Morning Jeff,

We had a phone poll and the council by unanimous vote nominated Kim Williams, Courtney Gomez and myself to be their representatives on the tech panel. We sent those names to Tami last week.

Billy

Jack Hobson wants to serve on EPA's Intergovernmental Technical Team. If you have not addressed who else may serve, please do so. EPA wanted the names by the end of March.

The Tribal persons should be able to help with traditional ecological knowledge, subsistence use areas, etc.
